

NEWSLETTER FEB-MAR 2006

2006 has got off to a great start with two very successful Directors seminars, a well received Student Handbook and a presence at the Northland Agricultural Field Days

WE WELCOME TWO NEW SPONSORS FOR E4E IN NORTHLAND ON BOARD

The success of the two directors seminars for the Lion Foundation Young Enterprise Scheme was in large part due to the involvement of

The Subway challenge "To come up with a concept for a product or service to reach Subway's target market outside the main centres in Northland".

The challenge was entered into with gusto with some very innovative ideas were presented at the end of the day. Pictured above is the winning team at the Waitangi event.

YES Company Registrations

E4E IN ACTION DARGAVILLE HIGH SCHOOL

Dargaville High School is one of Northland's Education 4 Enterprise Schools. During the recent Northland Agricultural Field Days, Year 12 & Year 13 Hospitality students from the School catered for the clients of Ravensdown Co-op Fertilisers Ltd.

The Year 13 students were being assessed as part of a level 3 unit standard requiring them to plan, then prepare and present food for a special occasion. The Year 12 students were being assessed for food service as part of their Hospitality Standards Institute Certificate of Food & Beverage Service (Level 2).

This was a very practical and innovative way to demonstrate to the students the relevance of their learning. Prue Burnett the teacher in charge of Hospitality said the feedback from the Ravensdown Management and customers was excellent and she was very proud of the effort that these students put in to this activity.
